

SERVICE LEARNING: A Supplemental Guide for Placement Process

1. Review Your Course Page

Review all of the agencies listed on your course page to determine what your top two agencies are based on your interests, your scheduling needs, and your transportation needs. Visit with representatives of these agencies at the Serve Fair.

2. SERVE Fair

Attend the Virtual SERVE Fair. While visiting an agency's Zoom room, be sure to give them your contact information. This is the first step in letting an agency know you are interested in serving with them. Take time to ask agencies about their hours, location (in-person or online), programs, tasks, or other questions you might have. Be sure to ask agency representatives what your next steps should be—should you reach out next week, send an email, attend a training/session, etc.? Also, consider having your resume available to email to agencies.

3. Contact Agency Directly

First, check your Loyola email for any messages from an agency. If you have not received anything by Wednesday after SERVE Fair, reach out to the primary contact (this information can be found on individual agency pages on OCELTs' website). Remember, it is **your** responsibility to secure an offer in the allotted time period.

4. Secure an offer

Agencies will make offers to students ONLY during the Placement Offer Period (September 4-10). Agencies will communicate the offer directly to students and will notify our office of the offer. No offers can be made after Thursday, September 10th.

5. Submit Your Acceptance

Immediately following the Offer Period, students have an Acceptance Period (September 11-16) during which they will accept an agency's offer to serve. Accepting an offer is a **two-step process**:

- 1) *Fill out the Placement Acceptance Form online (on OCELTs' website) which informs our office details about your service and is your liability waiver.* No student may participate in service learning without a liability waiver.
- 2) *Tell the agency you are accepting their offer. If you received multiple offers, accept the offer you want, then promptly notify the other agencies that you have accepted an offer elsewhere (see email samples below).*

Students who are not placed by the end of the Placement Period (September 16) will be removed from the service learning database and **unable to participate in service learning for their course.**

6. Fulfill Any Pre-Service Requirements

A list of pre-service requirements can be found on individual agency pages on OCELTs' website or through direct agency contact. Students must ensure all preservice requirements are completed before service begins. Agencies may hold training sessions or orientations online or at their site. Remember, you must complete all preservice requirements as specified and in a timely fashion.

7. Start Serving

Establish a regular weekly schedule with your agency and stick to it. Plan your schedule with your supervisor, feel free to use the "Plan of Service" found under "Forms and Resources" on our website. If you serve a two-hour shift, each week for the entire semester, you should earn all of your hours. Start right away in order to not fall behind on your hours and so that our agency partners are not left waiting for your help.

Final Note

It is **EXTREMELY IMPORTANT** that you check your loyno email frequently for messages from OCELTs (ocelts@loyno.edu or tjasper@loyno.edu). All information regarding deadlines and requirements of service learning will be communicated via email. You are responsible for addressing emails from OCELTs in a timely fashion.

FREQUENTLY ASKED QUESTIONS

What if I do not hear from an agency by the placement deadline?

If you have not heard from an agency by a day before the deadline, reach out to them again and let OCELTS know. There is some room for agency delay since the entire placement process (offer and acceptances) is not complete until the middle of the second week following the Serve Fair.

What if I am just not sure what is the best agency for me?

OCELTS can offer one-on-one help if you are not sure what agency best meets your interests, your scheduling needs, and/or your transportation needs. Contact OCELTS at ocelts@loyno.edu, 504.865.2282.
